

Attaché ERP Learning Catalogue

About

Whether you are a new or experienced user, there are training options to suit your needs!

For Attaché customers we have combined various courses with a defined learning pathway into [Learning Bundles](#). This provides an in-depth virtual learning experience to master the intricacies of using the systems within the [Attaché Payroll Product Suite](#) & [Attaché Account Product Suite](#).

These Learning Bundles will be delivered by self-paced guides, manuals and digital eLearning modules, which you can access over the 12-month period.
